Dear Mike, Jackie and the customers of TestRAMP,

Thank you for your extremely kind donation of £50,000 to Pilgrims Hospices. Your support with this donation is so valuable.

At its heart, Pilgrims Hospices is dedicated to ensuring people living with a terminal illness can access the quality care and comfort they deserve and we care for more than 2,500 people each year across east Kent. It is with deep gratitude that we have received your very kind gift.

The value of this donation would not only pay for one patient's care from our community nursing team for more than 625 days. It could also pay for a patient's care on one of our inpatient units for more than 62 days; helping patients to live as well as possible in the time they have.

Your donation is especially significant given the sector and cause you are working in. As I am sure you can imagine, the past, now nearly two years have been unexpectedly difficult for the charity. Our vital work has not stopped and we are Still Here and Still Caring. We continue to provide compassionate care and support at our three hospices and in the community, with a few key changes to ensure our patients, their families and our staff are all remaining safe. PCR testing, and access to this testing, remains vital to our operation.

As always, we are only able to provide our services, free of charge, thanks to the generosity of our community of supporters, which you are an important part of with this extremely significant donation to Pilgrims Hospices. Your kindness, and that of your customers, is ensuring Pilgrims remains there for our patients and their families, now and in the future.

Thank you so much for your support of Pilgrims Hospices. Together we can, and will, continue to make a difference.

Warmest wishes,
